Unplanned movie

On Thursday, March 28, the movie [Unplanned](#) will be released in theaters across the country. The film is the story of a young woman who is heavily involved in the abortion business but has an unexpected change of heart that leads her to a new understanding of the dignity of life. Despite having an "R" rating for mature topics, Bishop Barbarito has endorsed the movie and we encourage all SJPII parents to consider seeing it with your children. We believe that it will provide a unique opportunity to discuss the important issues that are brought to light in the film.
