## Communication Protocol for Academic Matters

As we approach the end of the first academic quarter, students and parents are reminded that our ***communication protocol for academic matters should always begin with the classroom teacher him/herself.*** Our dedicated faculty members work directly with our students and are generally best equipped to answer questions and respond to concerns regarding student progress and classroom instruction. Once contact has been initiated with the teacher, our Counseling Department and Assistant Principal for Academic Affairs, Ms. Mulhall, would be happy to assist with any concerns that may need additional attention or resolution. Thank you for your continued cooperation and support!
