The Eagle Alumni Legacy Scholarship

The Eagle Alumni Legacy Scholarship was established when a group of alumni got together to ensure that children of a deceased alumnus, Gary Polanin '83 would be able to attend Saint John Paul II Academy. Gary was a great friend and very passionate about his alma mater.

We would like to see that alumni spirit continue to grow with our amazing children of alumni by awarding a legacy scholarship with the following criteria:

- Two \$1,500 scholarships are available to alumni children per academic year. One scholarship will be awarded to a rising Freshman, the other to a rising 10th-12th grader.
- The scholarships must be used toward tuition for the upcoming academic year.
- The alumna or alumnus parent of the scholarship recipients are required to give back ten volunteer hours for alumni activities. Applicants and scholarship recipients may reapply in subsequent years.
