2. Has a financial need for scholarship.
3. Exhibits exemplary ideals of school spirit, involvement and leadership.
4. Has made the philosophy and goals of SJPII part of their personal value system/creed.

Each student who wishes to be considered for this scholarship must show proof of financial need for the scholarship. The best way to do this is to submit a copy of **2022** tax forms or 2022 FAFSA results. In addition, each student who wishes to apply must list all of the school activities he/she has participated in over the course of studies here at SJPII Academy. In a well-written essay, each student is asked to explain how he/she lives the philosophy and goals of SJPII Academy. We are especially interested in knowing how the time spent at SJPII Academy has aided the student in forming a value system that is in line with our philosophy. Include examples of leadership, generosity of spirit and how the school's motto, "Founded on Jesus Christ" can be used to describe your personal value system and life.

Students are welcome to include letters of recommendation with the application package.

Deadline to turn in all paperwork into the Guidance Office is **March 15, 2024**

The recipient will be chosen by a SJPII Academy Scholarship Review Committee.
