

November 1, 2020

Dear Parents and Potential Students,

Thank you for joining our 2020 Virtual Open House. The Videos, View Book and Links will help you become familiar with the great variety of programs we offer for the spiritual, academic, physical and social education of the students entrusted to our care.

Saint John Paul II Academy is founded and operated under the jurisdiction of the Diocese of Palm Beach and is formed by the charism of Saint John Baptist De La Salle, the founder of the Brothers of the Christian Schools. Our school is staffed by dedicated lay teachers who are committed to the education of young people in a Catholic, Christian setting guided by the traditions of Saint La Salle and the Brothers. Recipients of a Lasallian education learn to witness to their Catholic Christian identity, stand in solidarity with those who are marginalized by injustice, foster a community of faith, and celebrate the value and dignity of each person.

Saint John Paul II Academy is accredited by AdvancED and offers a strong college preparatory curriculum at a variety of levels including Honors, Advanced Placement, and Dual Enrollment. Our teachers are a group of committed individuals, all of whom are certified and many of whom possess advanced degrees. They demonstrate a passion for their profession and subject areas.

We emphasize that as a Catholic school, we are here to assist parents or guardians, who are the primary educators of their children. We do this by providing an environment rich in faith, strong in morals and discipline, and totally committed to excellence in academic achievement and the total development of the student.

Thank you again for spending time with us. I hope you will take the next step and Apply, Tour our Campus or Submit your Questions. We are here to assist you. May God continue to bless you and your family and guide you in making this important decision for you son or daughter.

Live Jesus in our hearts forever!

Brother Daniel Aubin, FSC, President
